Snow report

LOWER temperatures have returned across Europe, along with snowfall. Austria fared well and most resorts reported fresh snow.

Switzerland also had good snowfall, though in France it was not so widespread. It is colder in Italy, too, and snow is forecast.

The riding at Cairngorm, Scotland, is better, with lower temperatures preventing the snow from becoming wet and heavy.

Utah is still the place to be in America, where all resorts have had good snowfall.

Fernie, Kicking Horse and Revelstoke, in Canada, are all preparing for reopening.
